### **Profile**

Errol Soriano graduated from the University of Western Ontario's Ivey School of Business Administration in 1987. He obtained his designation as a Chartered Accountant in 1989 and his designation as a Chartered Business Valuator in 1993.

Since 1991, Errol's practice has been dedicated exclusively to the areas of business valuation and the quantification of financial loss.

Errol's work encompasses a broad spectrum of complex matters involving product liability, class actions, tax disputes, transaction disputes, franchise disputes, shareholder disputes, breach of contract, breach of fiduciary duty, forensic reviews, insurance claims (including professional negligence), and international trade and investment disputes. He has provided services to clients in Canada, the United States, Europe, South America and the Middle East.

Errol has been qualified as an expert in business valuation and financial loss quantification in various Canadian Courts and in international arbitration proceedings in the United States. Errol has also been appointed Inspector pursuant to the Ontario Business Corporations Act.

In 2012, Errol was awarded the honorary designation of Fellow of the Canadian Institute of Chartered Business Valuators in recognition of his valued contribution and overall leadership in the profession. Errol is one of two damages experts based in Canada (and among 89 worldwide) named to the International Who's Who of Commercial Arbitration (2013), as selected by Global Arbitration Review based on their research with clients and peers.

In addition to his broad, practical experience, Errol is the author of an authoritative text on the quantification of financial loss (and co-author of a second text), and has lectured extensively to professional interest groups in Canada, the United States, Europe and the Middle East.
